

NOTICE OF PUBLIC INFORMATION CENTRE NO.1 AIRPORT ROAD FROM KING STREET TO HUNTSMILL DRIVE, TOWN OF CALEDON MUNICIPAL CLASS ENVIRONMENTAL ASSESSMENT STUDY

The Study

The Region of Peel is conducting a Class Environmental Assessment Study for Airport Road from 100m north of King Street to 300m north of Huntsmill Drive in the Town of Caledon (see map). The purpose of the Study is to:

- Address long term issues related to planned future growth
- Enhance the safety of Airport Road by examining intersection improvements, potential for roundabouts, and traffic calming measures for truck and other vehicular traffic through Caledon East
- Promote healthy living by examining infrastructure improvements for walking and cycling

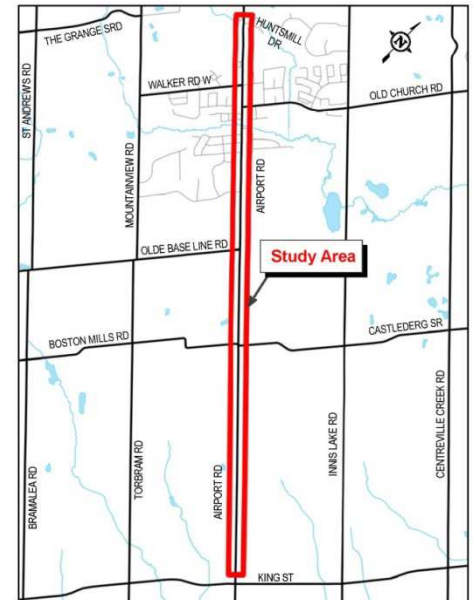

This Study will not be considering road widening for additional through traffic lanes on Airport Road and will support the Caledon East Community Improvement Plan, including streetscaping.

The Process

The Study is being conducted in compliance with Schedule 'C' of the Municipal Class Environmental Assessment, which is approved under the Ontario *Environmental Assessment Act*.

Public Consultation

Two Public Information Centres are planned as part of the Class Environmental Assessment process. The first Public Information Centre will be an informal drop-in centre with information presented on display, including the problems and opportunities identified within the corridor, existing environmental conditions, and preliminary assessment of alternative planning solutions.
